To our Catoosa County community:

If you know us, you know that we are sad to announce that we will be closed Monday, March 16 through at least Wednesday, April 1. We are doing this to ensure the health, safety, and well-being of you and our staff. We had nearly 1,500 people come through our doors last week, which makes the library a prime place to share germs.

Here’s what we’re going to do for you:

1. **No Fines**  
   No library items currently checked out will be due back until after April 1. Our bookdrops will be available, but do not feel like you have to return anything.

2. **Doubling your hoopla limit**  
   Effective immediately your monthly limit of hoopla downloads has been increased from 5 to 10.

3. **Online Programs**  
   Check Facebook and our website for information about possible streaming story times and other online programs.

4. **Extended Holds**  
   Anything currently on the hold shelf for you will still be there when we reopen, and you will have plenty of time to pick them up.

We appreciate your understanding as we all work through this together. We will miss seeing you all over the next few weeks, so give us a wave if you happen to be driving by.

Stay healthy and safe everyone,

Richard Groves  
Library Director
